"Ultimately, the power to transform the world is effected by love, love originating from the relationship with the divine, love ablaze among members of a community, love extended without restriction to every human being... You are channels for this divine love; let it flow through you to all who cross your path."

~Universal House of Justice 22 July 2020

The Guardian cherishes the hope that at the termination of your school this summer every one of the attendants will have derived such mental and spiritual benefits, and acquired such a fresh enthusiasm to serve as will enable him, upon his return to his local community, to labour with a determination and vigour that will excite the envy and admiration of his fellow-believers, and stimulate them to greater heights of consecration to the service of our beloved Cause.

(From a letter dated 15 August 1938 written on behalf of Shoghi Effendi)
